Energion Publications, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. A pastor says, "If you think you understand the trinity, you've probably fallen into heresy." An expert in biblical studies says, "The trinity is one of the best ways ever invented to say, 'We don't have a clue!'" Many people say the trinity is not found in the Bible, so what is it doing as a doctrine? This lively and challenging book asks you to think about the trinity, what it means, how it came to be, and what value it might have in Christian conversation today. If you don't want to have your thinking challenged, or you'd rather just go on saying, "I believe in the trinity," without knowing what you're saying, then definitely stay away from this book! To the rest of you, "Enjoy!"
